SECURITY INFORMATION Between 12 and 16 Hay, the SCC was still billeted in the installation on Haxim Gorkistrasse. Vehicles were seen in front of the quarters. ** 50X1-HUM 50X1-HUM Comment.

troop trains carried units, including 73 tanks, from Halle to Donndorf, which is located near the new Lossa training area.
between 5 and 10 May 1952. 50X1-HUM This confirms the movement of components of the 21st Gds Mecz Div to the Lossa training area.

Comment. There are no changes in the two installations mentioned in paragraphs and 6. 50X1-HUM
